## **Service Legacy Brick Agreement**

l,	, understand that the Service Legacy
Brick placed at the Law Enforcement Me	morial Site will be installed in the walkway when
enough bricks have been compiled to ma	ake the installation cost effective. I acknowledge
that the Service Legacy Brick is owned	I by and will remain the property of the Police
Officer Assistance Trust (POAT). My fit	fty-dollar (\$50) donation to POAT will cover the
cost of the brick, engraving, installation	, and certificate. Any remaining funds will be
deposited in the POAT treasury.	•

By signing this agreement I attest to the fact that the following criteria have been met:

- Retired with a minimum of the required years of service needed to be deemed vested by your department. This applies to both sworn and non-sworn personnel. The applicant must have served with a federal, state, county, local law enforcement or correctional agency within the geographical boundaries of Miami-Dade County.
- ➤ The applicant has not been arrested/convicted since retirement/resignation.
- The applicant agrees to provide documentation attesting to his/her service with a qualified agency if it is deemed necessary.
- ➤ The Police Officer Assistance Trust reserves the right to remove the brick and refund the donation, less material and labor cost, if the committee deems it necessary.

In situations where a spouse, family member or friend wishes to have a Service Legacy Brick displayed for someone who is deceased, the aforementioned criteria will still need to be abided by. If the individual whose name is to be engraved on a Service Legacy Brick died while actively employed and in good standing, but does not meet the vested years minimum service requirement, the application will be reviewed by the Service Legacy Brick Committee.

The Service Legacy Bricks are limited to three lines, sixteen characters per line and will not include symbols or rank. The format will be:

## Name Department Year Retired - Years of Service
